

Development Level Dashboard

Evaluate team members' development level on common goals or tasks.

- List up to five goals and/or tasks common to all team members under **Goal or Task** at the top of the worksheet.
- List their names under **Team Members or Dates**. (Leave the **Team Member** field blank.)
- Select each team member's development level for each goal or task.

or Chart the development level growth of one team member over time.

- List up to five of this team member's goals and/or tasks under **Goal or Task** at the top of the worksheet.
- List his or her name under **Team Member** and the dates you will assess his or her growth under **Team Members or Dates**.
- Select the development level for each goal or task for each date.
